

Are you ready for the job market?

Are you worried about finding work after graduation?

Are you wondering what kind of employment your anthropology degree can get you?

Anthro21 presents:

Preparing for your Future in Anthropology

A webinar on twenty-first century job hunting (and gathering) for the prospective anthropologist

September 17 at 2-3pm EST

This \$20 webinar is intended for anthropology undergraduates, and covers three topics: rethinking your job opportunities, enhancing your skill set, and improving your employability. Registration is limited, for more information email us at anthrojobnet@gmail.com or visit anthrojobnet.wordpress.com
